

Marek J. Turjancik

April 24, 1971 - March 9, 2026

Marek Turjancik, 54, passed away March 9, 2026, in Bradenton, Florida. He was born April 24, 1971, to Boris Turjancik and Bronislava Nedvedova in Slany, Czech Republic. In 1992, he moved to America to work with his dad and, more importantly to him, to provide his daughter, Sofie, with a better future.

Marek ran his own home remodeling business in America. After working hard at TUMA Construction all week, he loved to relax and party with friends on the weekend. Making people laugh was one of his greatest joys. Marek's friends will always remember him for his humor.

As much as he loved sharing laughs with friends, his wife, Blanka Turjancikova, his daughter, Sofie Turjancikova and his beloved dog, Igor were always at the center of his heart. It didn't matter if he was taking them on the boat or jet ski, going on a road trip with them, or just spending a lazy afternoon together, as long as they were together, he was happy. He was a loving father and husband who will never be forgotten.

Left to cherish Marek's memory are his wife of 35 years, Blanka; his daughter Sofie Turjancikova; his mother Bronislava Nedvedova; and sisters Vladimira, Lucie, and Michala.
