“ Marlene was a dear lady and friend. We were neighbors and saw and talked on the phone every day when the mail came. We shared past family memories and we enjoyed learning about each other's families. She was a very caring and had empathy when someone on the court needed a prayer. She will be missed at our 4:00 neighbor meetings.....but not forgotten. Much sympathy and prayers to her caring family. Linda Masso

Renee, Kirk and I are saddened to read of your mom's passing. I only met her once, but she seems the sweetest and such a loving person when we visited about Kara and Carter getting married. We rejoice she's home. But we know the pain of losing loved ones. We are saying prayers for comfort for all the family.
