“ *My Grandma lived a beautiful life full of love, dancing, sassiness, & sunshine for 97 years! She had the sweetest, softest little voice & my world is a little darker without her. She loved me always & without fail & I'm forever thankful for her grace & love. She always called me "sweetheart" & I think I will miss that the most! I wish we'd had more times together but I will cherish every memory I've got! I'm so so blessed that she knew my children & got chances to love on them! She was a great woman & she is already so missed! Please send love & prayers to my family as we were not ready to say goodbye quite yet. I wish I could be there tomorrow Grandma but I hope you know I love you so very very much! ❤️*
