“ I worked with Mary Ann at Washington University in St. Louis. She always had her vacations planned out for the next 12 months with flights and hotels already booked. She loved life, retired from her fulltime job 10 years earlier so that she could spend the summer with her daughter before she went off to college. A very friendly girl indeed!

May her soul rest in peace.

My deepest condolences to the family.

“ So very sad to hear of Mary Ann's passing. She was the first neighbor to welcome us when we moved in our house 15 years ago on Washington. She was always the 'go to' person for any information I needed on neighborhood related things. Such a kind and lovely lady. Sending prayers to her family.

“ When I met Marie Anne, I knew from the moment I hugged her that she had an incomparable heart. Her kindness, warmth, and affection for others were evident from the very first moment. She became part of my family in the US and earned a place in my heart that will remain untouched. Her sudden passing is very difficult to accept, but I trust that she is resting in peace and that we will all remember her as a wonderful woman who crossed our paths to bring happiness and good times.

“ My sympathies go out to the family. We weren't close in high school, but we were friendly. I, as one of the SEA class of '70, very much appreciated all that Mary Ann did to organize reunions, including the gathering at the Laflin house in St. Louis. Praying for all of you.
