“ I was so saddened to see that my friend was no longer with us for the next hunt test. Our Retriever family has lost a great friend. Not only was she kind, but tolerant of all of us new handlers and puppies! She and Major are waiting for me at the Rainbow Bridge. Happy Tails!

“ A beautiful sister-in-law stood courageously to work with her body's challenges. Her love for Labrador Retrievers - beyond priceless. My dearest brother, Wayne, continuously and graciously blessed her with his devoted love and amazing care. All Labs will surely retrieve with much love to amazing MeLinda! Hugging and loving all.
