RE

“ Michael was one of this kindest men I have ever met. The day I realized Michael's desire to help others was pure was the day I was at my lowest and he stopped a meeting to ask the group if anyone was willing to sponsor. Hands were raised and I found the woman who would hold my hand until I could find my sober legs. That day changed my life forever and set the foundation for me to Trudge the Road of Happy Destiny . He taught me about acceptance, the Four Absolutes and that asking for help was a sign of strength not weakness. I know so many people feel the same way. He was a radiant light of hope with a smile that was like a warm hug. I can only image how big his Angel wings are as he smiles from above. Michael you will live forever in all of our hearts. 🕊
