

Millie Muther

June 6, 1942 - September 2, 2024

Millie Muther, aged 82, passed away peacefully, leaving behind a legacy of love, dedication, and cherished memories. Born with a heart full of compassion and a spirit of unwavering commitment, Millie touched the lives of many throughout her journey.

As a General Manager of Inner City for Polaroid, Millie devoted her life to helping underprivileged and troubled individuals, always striving to make a difference in the lives of those who needed it most.

Millie's work at Inner City was not just a career but a calling. She believed deeply in the potential of every person, regardless of their circumstances, and worked tirelessly to provide support, guidance, and hope to those facing difficult times. Her leadership and commitment transformed lives and left a lasting impact on the community.

Millie also devoted her time to advocating as a guardian ad litem for the most vulnerable members of our society, children who needed a voice in the legal system. She had a natural inclination towards helping others and served as a tireless advocate for children in the foster care system, ensuring that their needs were met and their voices heard in courtrooms throughout Sarasota County.

Millie's greatest role, however, was that of a caregiver to her beloved husband, the love of her life. Their bond was an inspiration to all who knew them, a true example of devotion and partnership. She was the cornerstone of her family, providing endless love, wisdom, and support to those she held dear.

Millie took immense pride in her role as a mother, grandmother, and great-grandmother always placing the needs of her loved ones above her own. Her children and grandchildren were the center of her world, and she found her greatest joy in their happiness and success.

Beyond her professional and familial roles, Millie was a loyal friend who cultivated and cherished long-term friendships. Her warmth, humor, and unwavering loyalty were the hallmarks of her relationships, leaving an indelible mark on the hearts of those fortunate enough to know her.

Millie is preceded in death by her parents Warren and Mildred Parker; siblings Warren Parker, Robert Parker and Linda Coy; and her beloved husband Michael Muther. As well as her first husband Robert Vaughan.

Left to cherish Millie's caring memory are her children David Vaughan and his wife Ellen Audette, Debbie Vaughan and her lifetime partner Christopher White; her brother William Parker and his wife Elaine; grandchildren Jason Wright, Timothy Wright and his wife Danielle, Brandon Wright, Melissa Vaughan, Ryan Vaughan; her great grandchildren Wyatt Wright, Deanna Wright, Tiffany Wright, Connor Wright. And all remaining family and friends who knew and cherished Millie. Most especially her 'sister' and her 'brother' from a bond never to be broken. Forever cherished by her special 'daughter' bonded by love.

Millie's passing leaves a void that can never be filled, but her spirit will

continue to live on in the countless lives she touched. She will be deeply missed by her family, friends, and all who had the privilege of knowing her. Millie was a beacon of hope for countless individuals. Her legacy is one of love, service, and a life lived with purpose.

Millie requested no services, however donations could be made in her honor to the multiple sclerosis foundation at: <https://msfocus.org/Donate.aspx>
