“ *Miriam (and Lyle) were always so caring, understanding and gracious during the troubling times of my (and my wife Elaine's) life. I am so happy we met and were able to share family memories with them. Miriam touched many lives during her time on this earth. I am supporting Lyle and Jonathan during this trying time.*

“ One of the things I remember about Mim was that she was always smiling! Watching the memorial video and seeing that smile, brought back memories from our family taking vacations to FLorida and being with the Kreider family! And it showed that Mim lived such a full life! Her contagious joy and love for her family and the Lord were absolutely seen in this video. Prayers for the family as the absence of such a great woman will I'm sure be difficult to endure. May God's amazing presence bring you comfort!
