Myrtle "Mimi" to many, loved spending time with and caring for her family. She enjoyed entertaining, cooking for her family and her church, baking, gardening, growing food and beautiful flowers, canning food, reading and shopping.

Her favorite things were her family, her friends at church, her books, roses and ice cream!

Born January 30, 1925 in Union, MS, she spent most of her life in Meridian, MS where she raised her family and worked for USF&G insurance company until her retirement. She was a member of Christ Community Church and the Garden Club.

In 2022 she moved to Sarasota, FL with her family and enjoyed spending time soaking up the sunshine on the lanai with her books. The last few months of her life she spent at Benderson Skilled Nursing Home in Sarasota, FL where she was the life of the party and beloved by many. Everyone there knew how much she longed for Heaven and supported her beautifully until she made the journey home.

Mimi generously became a body donor to the University of Central Florida. There are no

scheduled services and she had only one request, don't send flowers that will wither and die, plant flowers that will grow for you to enjoy. She will be greatly missed by those she left behind. Reflect on sweet memories of her and be blessed.
