In Loving Memory of Patricia Ann Strassner-Berns

September 16, 1947 – September 2, 2025

It is with deep sorrow and boundless love that we announce the peaceful passing of Patricia Ann Strassner-Berns on September 2, 2025, in Sarasota, Florida. She was 77 years old.

Known affectionately as “Trish” to her friends and family, and "G'Trish" to her grandson, Patricia was born on September 16, 1947, in Dayton, Ohio. A successful and adventurous woman, Trish embraced every chapter of life with open arms. She had a passion for travel and took joy in seeing the world—always curious, always seeking beauty and meaning in every place she visited. She was a brilliant, boundary breaking business woman and passionate mentor. But her greatest joy came from time spent with family and friends, cherishing the moments and relationships that truly mattered.

Trish faithfully attended Church of the Redeemer in downtown Sarasota, where she found community, strength, and spiritual peace.

Trish was preceded in death by her beloved parents, Bob and Melba Pearon, her sister Pam Pearon, and her brother Tom Pearon. Though her absence is profoundly felt, her memory lives on through those who were closest to her.

Left to cherish her legacy are her loving sons: Todd Hall, his wife Heather, and their son Holden of Cleveland, Ohio; and Kyle Berns of New York City. She is also lovingly remembered by her brothers: Bill Pearon and his wife Gloria of Sarasota, Florida, and John Pearon of Dayton, Ohio—as well as many dear

friends whose lives were brightened by her love and friendship.

In lieu of flowers, the family kindly requests that donations be made in Patricia's honor to the Alzheimer's Association: <https://www.alz.org/?form=FU> NDHYMMBXU, a cause close to their hearts. We'd also ask that you raise a glass, tell someone you love them, laugh loudly, and maybe stir up a little harmless mischief. She wouldn't want it any other way.

Memories and condolences may be shared with the family at [www.MFHcares.com](http://www.MFHcares.com).

Patricia—Trish—was a light in the lives of so many. Her strength, warmth, laughter, and unwavering love will be forever missed and always remembered.

“ Rest in peace my dear friend! Patricia was my boss, mentor, and very special friend. We had so many adventures together - dodging overly friendly Italians during a business trip to Rome, convincing Patricia to buy some beautiful suede flats to replace the 4 inch heels she was running across cobblestones in (which she never wore - everyone knows how much Patricia loved her heels!), picking out a new apartment for her in NY (top floor, amazing view), and so much more. Sincere condolences to the family, she will be dearly missed.
