Rawatee "Toddy" Jadoo

November 25, 1962 – Forever in Our Hearts

Rawatee "Toddy" Jadoo was born on November 25, 1962, in the quiet village of Las Lomas, Trinidad, the third of five children. From her earliest days she was a lover of books, a seeker of knowledge, and a gentle but steady presence in the lives of everyone she touched.

She attended St. Augustine Girls' High School in Trinidad before migrating to the United States on September 1, 1989, where she would make her home for the rest of her life. True to her lifelong love of learning, she went on to earn degrees in business administration, tourism and hospitality, and became both a certified personal trainer and a professional massage therapist.

Toddy had a heart made for loving others — especially children, though she had none of her own. From the time she naturally stepped into a motherly role for her youngest sister, to every child whose life she later touched, she gave her love freely and without condition.

Her faith was the cornerstone of her life. She was a devoted and active member of her church, passionate about serving God and her community in everything she did.

She was a woman of quiet strength, deep intelligence, and extraordinary warmth. She is deeply missed by her family, her church family, and the many friends who were blessed to know her.

Gone from our sight, but never from our hearts.

There will be a Celebration of Toddy's Life to be held Tuesday, April 21, 2026 at 2:00 pm at Restoration Church of Sarasota, 5614 Richardson Road, Sarasota, Florida.

“ *Toddy had a gift from God, healing hands and knowledge to help people heal. After months of suffering from herniated discs and on crutches I stood up from an hour on her massage table, and a few more appointments I was able to walk again without severe pain. Toddy loved Jesus and always prayed over me before starting my massages giving God the glory. May her memories be a blessing to her family and friends.* ❤️🕊️❤️
