“ I will always remember and appreciate Reuben for his positive influence on my life.
Reuben was my teacher and choir director at Clinton Christian School from 1970 (his first year teaching) to 1973. He also directed community choirs during the summertime, reflecting his commitment to promoting great choral music and worship.
Additionally, I had the opportunity to sing with Reuben on the Living Faith Quartet for four years. -many great memories!
Kathy and I extend our sincere sympathy to the entire family.
May God bless and comfort you during this time.

“ I was one of Reubens students at Clinton Christian School. His passion and love for Jesus inspired me as a young person. Many great memories from Choir and Shop Class. And in Phys-Ed He set the bar high as both an aggressive basketball player and passionate coach he pushed us to become disciplined and better at our game. His life and friendship impacted me as a young man. May God bring comfort to the family during this time of loss. Ray Miller
