“ As a teenager, I spent more time at the Hamer's home in PA than I probably did at my own house and Mr. H was a big part of my life growing up. I think now, that Mr. H. lived vicariously through Bobby and I and our friends and you knew he really enjoyed every minute hanging out with us.. Have nothing but the best Memories with him and Mrs. H! My deepest sympathies go out to Bob and May, Mike, Brian and Mrs. H. He truly was the G.O.A.T. and will be missed by so many. I am confident that he and I will meet again and a guitar and/or a piano will be involved. (probably both) Kevin Ichter

Didn't he have those big disc's that he played movies on too Gerald?
