“ Words cannot express how saddened Joy and I are to learn of Ron’s passing. Ron was a loyal member and officer of the DAV and devoted many hours of personal time and expense as a service officer to improving the lives of disabled veterans. His efforts in promoting the DAV among veterans, and the public, did much to bring praise to our organization and to his credit. His death is our great loss.

It was our pleasure to have known him, and we thank him for his service. We are summering in Wisconsin and will be unable to attend his service. Our thoughts and prayers are with his family of whom he spoke so proudly.

RIP Ron

“ Even though our family's never been 'close' we are cousins and always will be. Although I was only 5, Ricky and Ronnie as we knew them came to London to visit us. My memory is that they were both very smart, and brought us some trendy American clothes. My overwhelming memory though is that we were playing on a building construction site and my eldest brother John decided to show Ronald and Richard a soccer 'throw in' with a fairly large rock. What he didn't know was that I was climbing up the muddy slope he was throwing the boulder down. The last thing I remember was seeing the 'ball'...then it bounced off my head. I woke up in hospital, with a few stitches later. RIP cousin. God bless you x
