“ I was shocked and saddened to learn of Russell's passing. I worked for many years with him at HES/Davis Standard and he spent a few holidays with me and my family. He always had a great attitude and smile on his face. I spoke to him a few times after he moved to Florida and he seemed very happy. I'm glad to see he got married, I'm sure that completed his life. Rest In Peace my friend.

“ Maria, I too am a cousin and only have childhood memories especially when his family lived at Whispering Pines in RI. You have my deepest sincerest sympathy. May wonderful memories lessen the weight of your grief.

“ Maria I am a cousin of "Rusty's" from the past. I primarily have childhood memories. I remember him as a kid. My first memory as a child of 10 was holding him as a baby in our home in CT during a first visit.

I am sorry for your loss. I am glad you found each other in this world to provide happiness to each other. You will be in my prayers through these difficult times.

“ Maria, Thank you for being a part of Russ's life. I would like to share a few memories with you. When he was 9 or 10 years old I took him on a fishing trip south of Block Island, R.I. He still may have the photos we took. He was one happy kid. Also he and I built a lot of R/C model airplanes. He was a super craftsman and would scratch build large planes. He was also an excellent pilot. Every September we would go to the "Old Rhinebeck Aerodrome" WW1 R/C meet. 3 days of flying airplanes, we loved it.

“ I was blessed to be a guest at Russ and Maria’s beautiful wedding on the beach. What a wonderful happy day that was! And they made such a lovely couple. Russ was a great guy and brought Maria the happiness she deserved. I am sorry they didn’t get to have many more years together but I know they made some great memories. Rest In Peace Russ.
