“ *Your Mom. What can I say that hasn't been said. I know she was always gracious and welcoming. I know she almost always had a pretty smile on her face. I know she loved Jesus. I know she was a prayer warrior with names written in her book to pray over, and pray she did. I believe she was ready to leave this earth and ready for Heaven. She wanted to see Jesus face and knowing your mom, she probably slipped a few words to Him about those of us on her prayer list. She is happy to be reunited with your dad and your precious daughter, as well as, the rest of the family. She is home.*
