“ When my heart was broken, from my first breakup at the tender age of 13, Mr Trotter sent me to talk to Sandy in her classroom. She was so kind and understanding, and knew just what to say to make me feel better. I will never forget her kindness and support. She was a wonderful teacher and role model for all of us, and will be sorely missed. My deepest and heartfelt condolences to Mark, Todd and your families. Rest easy Sandy, in the arms of our Savior Jesus Christ. 🙏🥲

Thank you Candy for sharing this lovely memory. It completely embodies the personality of my precious mother-in-law Sandy Pierson. She always had the right words for every situation and even though she never had a daughter, she advocated for girls in every aspect of her life. I met her when TODD and I were dating and immediately wanted to be part of her family. She was lovely, gracious, kind, empathetic and generous with every person she met. There are no words to express how much I will miss her. Thank you again for sharing this. God bless you 🙏

“ Sandy was the best and she influenced so many young people during her teaching years. She loved all of you so and all of you made her life so much better in these later years. Prayers for peace and comfort.
