“ Amico sent a virtual gift in memory of Scott David Trentor

Amico - April 27 at 04:36 PM

“ *To Scott My Love Best Friend Ever*

I think about you everyday , think about the good times we shared the memories we made together as well as memories made with Junior, Shane, Alex and of course Louis always kind & loving to each individual one of the boys A good Dad, Pops, & Farmer ! The Memories we made with our Family close friends dancing, singing , our casino trips, cruising all these memories are priceless & all remaining in heart .

We both cried over sad movies as well as laughed over the silliest things but most of all truly enjoyed & loved the time together So much Fun my sentimental Scott!

Scott you were always patient, kind hearted & a gift to me although not always easy to live with (to say the least because you weren't always right; I was lol. Too funny ;) we agreed to disagree about almost everything but always ended our day with a goodnight kiss. You fought like a Champ not wanting to say goodbye to anyone of us but as a Strong Man you accepted the path our Lord Jesus prepared for you.

I'm sorry for not saying all the things I wanted to say! You read my mind and knew I didn't want you to leave me, you protected me from your own fear my Scott always thinking of me but I'm crying because I love you and always will.

I Miss your smile, I'm so sorry you went away. you came along and made my life Fun ! thank you my Angel Scott for coming into my life for buying me that drink , for asking me to dance i know someday we will be again and have fun singing Karaoke with the Angels if they let us, but I know they will let you be there as lead singer! In case you didn't know, Im crazy about you too! & you didn't miss The Dance! We don't mind drinking \$3 wine it suits us fine.

Im gonna love you forever & Ever forever & Ever Amen!

We will sprinkle rose petals today as showing a Divine presence of our Lord Jesus Is with you always.

You're Lovebird Trina

“ I'll always remember the good times we had at karaoke. Scott was such a good singer a lot of his songs were better than the original artists...he was a good friend and will be missed. I will always cherish his friendship and the many ways he helped us at our home.

“ For all of you who are mourning Scott, please know that you truly have my condolences. Our lives take so many twists and turns and Scott gave me the best gift I could ever have asked for - our son Shane. I was saddened to hear of Scott's illness and eventually of his passing. My thoughts are with you all.

Very Kind words are appreciated Shane is truly a wonderful young man. Don't know how we would have got through it all without Shane & Alex's support.

“ My loved Scotty's singing, especially Danny Boy. I don't think he visited Superior one time when he didn't sing it for her. I'd like to think he has sang it for her already.

“ Of course I many of my cousin, the Streaker was the best but I have a couple more, I'm extremely shy Scotty knew this so in 8th grade we had a class together (finally) that required giving a speech um no way no how so Scotty talked our teacher into letting me give it to just him in the cloakroom. I passed! Our senior year my friend Pam and I were out snowmobiling during Christmas dance (I didn't go to dances) anyways, I got stuck I tried and tied to get unstuck then I see a couple lights off in the distance and low and behold it was Scotty and his date, he got me unstuck formal suit and all. God I'm going to miss him
