AM

I will forever have you in my heart my friend ann, we went to school together and I have enjoyed our cellphones conversations on our facebook messenger in 2024 and then we started texting and calling our regular cellphones and thank you for your time and conversations to me in 2024 and I was glad to meet speak to your son that day on our phone conversation when he picked you up to carry you to the store and he was real nice young man. I will truly miss you Sharon ann Johnson, rest in paradise kingdom heavenly. 🙏❤️🌹🕊️
