“ *Suzanne will be missed by many. She had a hard battle with cancer which took a toll on her but she didn't stop smiling. We visited with each other a few times especially at the marina in Black Rock. Enjoyed singing Christmas carols together. Until we meet again*

“ *At a point in my late teen years while on my own, she was there for me and provided meals and help around my apartment while I worked hard to provide for us. I would get home from work and she always had something baked for me especially a lemon cake for dessert! Her mum and mine were very good friends when my sister and I were kids and will never forget those good times.*

“ *Rest in peace Suzanne. So many memories from our St. Ann days. Having your dad coach us in St. Ann basketball, teammates on the Vikings for Black Rock LL softball and all our adventures around Black Rock. I was so happy we were able to reconnect via Facebook several years ago and get together in FL to catch up.*

“ Growing up our family was very close and we spent every Thanksgiving and Christmas together. Christmas Eve at my parents house was really special. Singing Christmas carols was always the highlight of the evening. I will always remember my cousin Suzanne's favorite Christmas song. "Rockin Around The Christmas Tree". It feels like yesterday when we were sitting in front of the fireplace belting out this song.
