“ Dear Marlene,

I was so sorry to see that Terry had passed away. I remember him well from the times he would come to pick you up from the ESOL classes at SCTI. He was such an interesting person, and I always enjoyed talking with him. I was also always impressed at his love and admiration of you. He was such a nice guy and loved you so much.

“ *I am so sorry for your loss. Terry was such a good person and his loss will be felt by many. Rarely have I met someone who cared as much as Terry about our country and the future. He was gifted in so many ways and his knowledge had amazing depth. My life is richer for having known Terry.*
