“ *My deepest sympathies for Doug and Kelly and the entire Jones and Petrucelli Family. Terry was a true friend and a one in a million person. We worked together as volunteers in EMS in Mount Laurel many years ago where she eventually met and married the love of her life my friend Dougie Jones. You are a shining light gone way too soon. Rest in Peace Sister.*

“ Kelly and family... I'm so sorry for your loss. Theresa was a great person. She always had a smile on her face. She never let anything stand in her way including her sickness. I can remember standing in the hallways of Powerback and just talking for what seemed like hours. We laughed and joked because that's they Theresa was. She surely will be missed. And the halls of PB will be empty without her laughter and smile!
