

Tracy G. Nelson

June 7, 1974 - July 4, 2022

Tracy G Nelson, 48, passed away July 4th 2022, in Sarasota, FL. She was surrounded in a loving environment by her husband, parents, and oldest child.

Tracy was born in San Diego, California on June 7th, 1974, to Terence and Tammie (Reeves) Glum. She moved around between Georgia, Alabama and Florida as a child but ultimately settled in Georgia. Her oldest daughter, Veronica, was born in 1992. It was the beginning of her favorite role in life, as a mother. Tracy met Russ in 1999 and they quickly became inseparable. They were married in August of 2002 in Kennesaw GA. Tracy's second daughter, Kaia, was born in 2006. In 2007, they made the decision to move to Sarasota, Florida to be closer to family. Shortly thereafter in 2008, Lindsey was born, completing their family. Tracy held several positions in different areas of the business world ranging from management at a veterinarian's office to loan processing to management of a medical office. She was the family's anchor and heart. She expressed her passion through her artwork as an accomplished photographer and as of late through her macramé.

Tracy was a dichotomy, a lover and a fighter, passionate at both, a true Gemini. She was fierce, fearless, and loving all at the same time. She would go to the ends of the earth for those she loved and harnessed an incredible strength that drew people to her. She made people want to be near, to catch the glimpse of that strength and light. Her early years were not always easy, but she gained an internal strength that helped her forge her own path, in her

own time.

That strength is what drew her loving husband to her, and together they created a life that was whole and complete. She was a dedicated and loving mother to three beautiful daughters, always their constant cheerleader and confidant. She was dedicated to enriching the lives of her children with her time and effort. She spent countless hours as the coordinator of the Southside Yearbooks, volunteering for Awana, attending swimming meets, or volleyball games. She relished in their accomplishments and comforted them in their sorrows.

Tracy was a once in a lifetime mother, wife, daughter, sister and friend. We will miss her always.

Left to cherish her memory are, Russ, her husband of 20 years; daughters, Veronica (Erik) Dorr in North Port, Kaia and Lindsey Nelson in Sarasota; sister, Nikki (Eric) Murray in San Diego, CA; brother, Gary Glum in Minneapolis, Minnesota; grandchildren, Izabella, Brantley and Shayne; parents, Terry and Dorothy Glum; and Tammie Friday; along with many other family and friends.

Russ and his family would like to thank his firehouse family who allowed him to spend the past 7 weeks by her side.

A Celebration of Life will be held at 2 pm Sunday, July 31st at the Devyn in Sarasota.

Memories and condolences may be left for the family online at www.MFHcare.com.

“ John Lawrence purchased the Garden Accent -
"Those we love don't go away..." for the family of
Tracy G. Nelson.

John Lawrence - July 19, 2022 at 07:33 PM

“ There are so many memories. They hit me a different times of the day pretty much every day now. One memory that always stands out in my mind is how my friend Tracy came to work with us at our office. It was around the holidays in 2015 and I was flying solo in the office due to a staff change. Tracy heard through friends that I was running my husband's office with no help and I was kind of drowning a little bit more each day. Tracy showed up in the office one day and she said, "I am coming to help you. You need help." That is my friend Tracy in a nutshell. If you needed help and she could give it, she would always be right there for you. She and I agreed before she officially started working for us that our friendship would always come first no matter what. We always kept that promise to each other and our friendship grew and grew. Tracy I will miss you every day and wish you were here to show me a funny. Take care you. You will live in my heart and mind forever. Your friend, Jen
