MY

“ We were talking to a car salesperson last week who was from Belarus. I told him that we knew a very nice guy named Yury Makeev, who also was from Russia. And, that Yury installed plantation shutters in our new home in 2002. I thought maybe the car salesman and Yury can meet sometime and share their experiences being that they both came from Russia. That night I looked up Yury online to see if he was still in business. To my shock and sorrow, I saw Yury passed in April! Yury was such a kind, considerate, honest person. His work was extremely neat and perfect! I remember Yury said he and family had a cat. (We have cats.) Yury said he and his cat would spend quality time together in the evenings after work. After he installed our shutters, I passed his name on to anyone who was thinking of putting anything on their windows. But Yury was so popular already in Rosedale (where we live). Even though Bob and I saw Yury only a few times, he left a great impression, still, after all these years. I feel so bad for his wife and family.

Our deepest condolences,

“ We had the pleasure of working with Yury for over 25 years, beginning at Rosedale Golf and Country Club and continuing at Brista Homes. I greatly admired and respected his work ethic, his energy, and his kindness. I could always count on him to deliver a quality product and make our customers happy. He was a good man and will be greatly missed by many. Our thoughts and prayers go out to his family.

May God's love and presence, and the many wonderful memories of a life blessed with him, give you peace and comfort during this time.
