“ So very, very sad to learn of his passing. I have been wanting to hear him play and have been troubled at not being able to locate his whereabouts. He had incredible talent and should have been on the world stage. Just devastated....

“ Funk Masons Zack was 15 or something (2011), soooo sweet..I mean the licks and you know he was born in reverse with that soul.. so sorry for your fans and loved ones. I got to jam with a shooting star, aren't we so lucky to have heard him sparkle.
